Lash+Brow Tint & Shape	£30.00
Lash Lift with Tint*	£40.00

Brow Design

Brow Tint*	£12.00
HD Brow Design*	£30.00

With my HD Brows training we take the view that brows are as unique as fingerprints. They should be totally tailored to you, which is why when you visit an HD Brows stylist there's not a brow stencil in sight. Instead we listen carefully to your brow goals and aspirations whilst taking into consideration your face shape, current brow shape, density and overall look to design the perfect brows for you.

Hello Henna Brow Design*	£30.00
--------------------------	--------

Long lasting natural henna dye, vegan friendly. Henna can last between 6-10 weeks, can cover grey hairs and may stain the skin creating a powder brow effect that can last for up to two weeks; perfect for customers looking for long-lasting results with minimum maintenance

*patch test required 24-48hrs prior to treatment

Dermologica Skincare

121Beauty is happy to announce its partnership with award-winning company Bio-Therapeutic for 2019. Bio Therapeutic develops and manufactures cosmetic technology to enhance the results for customer and therapist – designed to work in synergy with Dermalogica Skincare and optimise results. All Dermalogica facials are individually customised to meet the customer's skin care goals and conditions.

Pro 30 Skin Treatment	£40.00
-----------------------	--------

Target driven and perfect for time-restricted or result maintenance customers

Pro 60 Skin Treatment	£50.00
-----------------------	--------

The Pro 60 enables the therapist to utilise all of the products and electrical modalities at her disposal to achieve the best results possible for the customer

Pro Power Peel 30	£50.00
-------------------	--------

This is a skin resurfacing treatment, using a combination of Targeted Acids we can customize the treatment to suit a variety of skin conditions and clients needs. There is no downtime to this peel, redefining the peel experience. Customised, effective, proven results.

BT Non Surgical Facelift	£55.00
--------------------------	--------

Using their patented microcurrent we can stimulate ATP (energy within cells) to help achieve lift, tone and definition of muscles and reduce the appearance of fine lines and wrinkles. (a course for maximum results is recommended)

BT Quickly Clear	£40.00
------------------	--------

Perfect for teens or adult acne. Essential strategic products combine to help relieve redness and help reduce blemishes. Perfect for the occasional breakout or stubborn spots
